Ref: CERTA Training Recommendation

Dear Sir or Madam:

It is with great pleasure that we, the Management of *West Coast Florida Enterprises, Inc.*, recommend Jim Brauner, with Roofing Equipment of Florida, to certify your employees in torch applied roofing systems. Jim has provided our employees with this training for certification and re-certification over the several years. Jim has proven to be a successful Instructor for our employees. His ability to communicate effectively in the classroom, as well as, with the actual hands on training keeps the trainees engaged. Jim Brauner is, and will continue to be, an important part of our Safety Training Program.

Respectfully,
